. @tedcruz refuses to send US troops to gather intel in Syria. No boots on the ground. This is Hillary's and Obama's Syria policy

@RichardGrenell @tedcruz Cruz is in the "I'll say anything to get elected" stage

Cruz has never run anything. Just another lying lawyer

Steve LaCombe @TXchInobears · 8

@RichardGrenell @tedcruz Is there really a solution for people that are intent on killing each other? Obama draws the red line, then ignores

Jean Tuttle

@RichardGrenell @tedcruz If you were going to send troops in to gather info. Would you announce their deployment?

Andrea @Anvesaka87

@RichardGrenell @tedcruz Wouldn't JS troops in Syria be an invasion? get we need ground intel, but maybe iran instead?

This race is really down to Trump & Kasich
Cruz won't get 1237 & GOP activists will never
pick him at Convention. They might pick
Kasich.

you were smart, now I'm starting to wonder...#NeverTrump

@KlaatuGort Cruz is hated by the very people he needs at the convention. He
isn't getting 1237. They won't pick him.

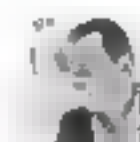

Juanita K Fentiman @KlaatuGort

@RichardGrenell I think he will win 2nd ballot in a landslide, just sayin...Trump
is an idiot, no way he will be pres.

Obama stopped refugees from 1 country for
6 months. Trump is doing 7 countries for 3
months. Reviews are not bans.

Oy Richard @ArMeber says 2011 was a "slowing"; not a ban... um, there is
no ban now either

Yossi Gestetner @YossiGestetner
@ArMeber Trump said it is SIMILAR to Obama 2011; not the same. 2011
was a "slowing"? 6 of the 7 countries is a slowing of 120 days.

Actually, no. The leakers go to jail. Reporters
shouldn't.

Trey Gowdy really wants reporters to go to jail for doing their jobs.

Schiff fails to say what we all now know:
Obama team listened in on Trump team,
then selectively leaked info. Most people call
this spying.

On and off, several materials at the White
House are already disclosed. Substantive
information is being leaked. Some of the
information is being leaked to the public.
The information is being leaked to the public.

Many have seen a report on the
information provided to the
public. The information is being
leaked to the public. The information

POTUS has sent mixed messages and there is reason to question his
commitment. Reaffirming this at summit would be important.

So that news about the administration probing "anti-white" discrimination at universities was ... fake?

Department on Justice Statement on Incorrect Reporting from New York Times and Others on Affirmative Action Policy

Please attributed the following statement to Department of Justice Spokeswoman Sarah Isgur Flores:

"Press reports regarding the personnel posting in the Civil Rights Division have been inaccurate. The posting sought volunteers to investigate one administrative complaint filed by a coalition of 64 Asian-American associations in May 2015 that the prior Administration left unresolved. The complaint alleges racial discrimination against Asian Americans in a university's admissions policy and practices. This Department of Justice has not received or issued any directive, memorandum, initiative, or policy related to university admissions in general. The Department of Justice is committed to protecting all Americans from all forms of illegal race-based discrimination."
